EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Davis on November 19, 2008.

The application has been amended as follows:

In line 1 of claim 18, please replace the article "the" with

-- an --.

Please replace all earlier versions of claim 25 with,

25. A production process for polysiloxane consisting of subjecting only an organosilicon compound represented by Formula (1)

wherein each R¹ is a group selected independently from hydrogen, alkyl having 1 to 45 carbon atoms, substituted or unsubstituted aryl, and arylalkyl; in which in the alkyl optional hydrogen may be replaced by fluorine and optional -CH₂- may be replaced by –

Art Unit: 1796

O-, -CH=CH-, cycloalkylene, or cycloalkenylene, and arylalkyl is constituted of alkylene in which optional hydrogen may be replaced by fluorine and optional -CH₂- may be replaced by -O-, -CH=CH- or cycloalkylene, and substituted or unsubstituted aryl to polycondensation reaction.

Applicant had been advised that claim 25 was awkward in its previous incarnation because it read as a process of making a product made by a process. This amendment serves to correct that matter.

An updated survey of the prior art did not yield a reference any more germane than those already of record. Accordingly, claims 15-25 are deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MARC S. ZIMMER whose telephone number is (571)272-1096. The examiner can normally be reached on Monday-Friday 8:30-5:00.
